

Dear MICCAI chairs,

I, as the advisor of Wei Liu, first author of MICCAI 2012 paper #687, certify that Wei Liu is eligible to the Student Travel Award. He was a PhD student of me on March 1, 2012 when we submitted the MICCAI paper. He is also currently a current PhD student of me.

I also certify Wei is eligible to the Young Scientist Award because he is the first author of an accepted paper and is currently a student at University of Utah.
